INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
Mosaic Community Development

We have audited the accompanying financial statements of Mosaic Community Development, d.b.a. inCOMMON Community Development (a nonprofit organization), which comprise the statement of financial position as of December 31, 2013, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Mosaic Community Development, d.b.a. inCOMMON Community Development as of December 31, 2013, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS
For the year ended December 31, 2013

NOTE A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of the significant accounting policies of Mosaic Community Development:

1. Organization

Mosaic Community Development, d.b.a. inCOMMON Community Development (the Organization) is a not-for-profit corporation and is independently incorporated. The purpose of the organization is to fight poverty by working with residents to build social capital and improve systematic structures within vulnerable neighborhoods. The major programs of the Organization include Individual Development and Neighborhood Development. The Organization's programs are supported primarily by grants and contributions. Approximately 2% of the Organization's revenues are derived from debt-financed property rentals.

2. Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities. The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the use of management's estimates. Actual results could differ from those estimates.

3. Financial Statement Presentation

The Organization is required to report information regarding its financial position and activities according to the following three classes of net assets:

- a. Unrestricted net assets include those net assets whose use is not restricted by donors, even though their use may be limited in other respects, such as by contract or by board designation.
- b. Temporarily restricted net assets are those net assets whose use by the Organization has been limited by donors to later periods of time or after specified dates or to specified purposes.

NOTE A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

3. Financial Statement Presentation - Continued

- c. Permanently restricted net assets are those net assets whose use by the Organization has donor-imposed restrictions that stipulate resources be maintained permanently but may permit the Organization to use up or expend part or all of the income (or economic benefits) derived from the donated assets. The Organization had no permanently restricted net assets as of December 31, 2013.

4. Cash and Cash Equivalents

For purposes of the statement of financial position and the statement of cash flows, cash and cash equivalents consist of cash and other highly liquid resources, such as investments in certificates of deposit and money market funds, with an original maturity of three months or less when purchased.

5. Property and Equipment

The Organization capitalizes all expenditures in excess of \$500 for property and equipment with a useful life of more than one year. Purchased property and equipment are carried at cost. Donated property and equipment are carried at the approximate fair value at the date of donation. Depreciation is computed using the straight-line method based on the estimated useful life of the asset.

6. Revenue Recognition

All contributions are considered available for the Organization's general programs unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor are reported as temporarily or permanently restricted support and increase the respective class of net assets. Contributions received with temporary restrictions that are met in the same reporting period are reported as unrestricted support and increase unrestricted net assets. Investment income that is limited to specific uses by donor restrictions is reported as increases in unrestricted net assets if the restrictions are met in the same reporting period as the income is recognized.

NOTE A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

7. Fair Value of Financial Instruments

In management's opinion, the carrying amount of unconditional promises to give approximates fair value.

8. Income Tax Status

The Organization is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code, except on net income derived from unrelated business activities. For the year ended December 31, 2013, the Organization had tax liability on unrelated business activity of \$42. The Organization believes that it has appropriate support for any tax positions taken, and as such, does not have any uncertain tax positions that are material to the financial statements.

The Organization's federal Returns of Organization Exempt from Income Tax (Form 990) for 2013, 2012, and 2011 are subject to examination by the IRS, generally for three years after they were filed.

9. Functional Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the footnotes. Accordingly, certain costs have been allocated among the program and supporting services benefited.

10. Comparative Financial Information

The financial statements include certain prior-year summarized comparative information. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended December 31, 2013, from which the summarized information was derived.

NOTE E. TEMPORARILY RESTRICTED NET ASSETS

The Organization has temporarily restricted net assets of \$316,229 at December 31, 2013, yet to be expended on the program services and salaries.

NOTE F. IN-KIND DONATIONS

In-kind donations for the year ended December 31, 2013 total \$310,205. The Organization received furniture from a donor with a value of \$3,000 and donations of labor and supplies with a value of \$307,205.

NOTE G. RELATED-PARTY TRANSACTION

The Organization entered into an agreement for architecture services with an architecture firm owned by one of the Organization's Board Members. The award process carried out by the Board of Directors conformed to its Conflict of Interest policy in undergoing a qualification-based selection process and the interested Board Member recused himself from the vote. The Organization paid the architecture firm \$10,120 for design services during the year ended December 31, 2013.

NOTE G. SUBSEQUENT EVENTS

Management has evaluated subsequent events through November 5, 2014, the date which the financial statements were available to be issued. There were no subsequent events affecting the amount reported in the financial statements for the year ended December 31, 2013 which are required to be disclosed in the notes to the financial statements for the year then ended.
